

**Melinda Forward, NBCT**, is an innovator with practical and powerful strategies to engage students in schools, especially powerful in underperforming schools. *We All Have a Voice!* Projects build positive school climate with strong Student Voice. Melinda's Surprising Service Learning Projects fuel student achievement, develop relationships, and build optimism. Based in cutting-edge neuroscience and research, projects are intentionally designed to give schools new tools to overcome obstacles of poverty.

*It is a great program for everyone.  
It is one where you matter.*

*It has influenced me to help other people and tell them that they do have a voice.*

*I have never dreamed so big.*

Our mission:  
100% of students will  
graduate inspired and  
empowered to create the  
world they imagine.
