[Melinda Forward, NBCT](#), is an innovative educator with practical and powerful strategies to engage students in schools, especially powerful in underperforming schools. The [#PassYourPositivityOn CHALLENGE](#) gives students an opportunity to write and share hand-written, heart-felt messages on thank you notes, river rocks, and posters. They inspire a positive mindset, develop relationships, and build optimism. These engaging experiences of positivity can boost students' social, emotional, and academic achievement.
